

# September Newsletter

KISCA (Kahala Initiative for Sustainability, Culture, and Arts) is our commitment to preserving our ‘āina, kai, and nā ‘ike a me nā hana (land, ocean, and culture).

We are proud to support many local sustainability efforts and provide guests with opportunities to explore Hawaiian culture on property within our community.

We believe that KISCA is an important program that allows our guests to give back to the community and while experiencing authentic Hawaiian practices and customs.
